July Recap

Fairy Houses and Gardens are Growing at Mollie Nye!

On two Saturdays this summer, we had special guests in our midst. Tucked deep inside the gardens of Mollie Nye House and in a burrow in the basement, little elves and fairies were hard at work building tiny cottages and gardens. From face painting to fairy snacks, everything was dusted with pixie dust to ensure a magical time for the creative construction! More sessions coming this fall.

Our fairies and elves now have lovely homes!

LVSA Canada Day Barbeque

The 159th year of Canada Day celebration was well attended by forty participants on July 1st at the Mollie Nye House. Guests were served a traditional picnic menu of cold meats, tasty baked beans, an assortment of salads, and a celebration cake. The red and white event was toasted with rhubarb punch and ice tea with enthusiastic voices singing “Oh, Canada”.

One group you will hardly ever see around the Mollie Nye house is our

Monday Walking Group. That's because they are always out and about the North Shore at a different location each week. Along with a good workout, they soak up nature, admire gardens, and explore secret spots. You are welcome to try the group out for free.
